

AMRC is helping with the Dog Show. We need your help.

Mark your calendars for **January 30th, 31st, Feb 1st, and Feb 2nd**. Sign up and come out to help with admission and parking for the Griffin Georgia Kennel Club and Cherokee Rose Cluster Dog Show at **Atlanta Expo Center, 3850 Jonesboro Road, Atlanta.**

Why help at the ticket gate? Do you need a radio? Nope, we talk in person face to face. It's a fun way to support your club by earning a donation for assisting with their parking at the venue.

Meet people who love their dogs! See dogs of all breeds. During your breaks you can visit the show free. Your lunch will be provided. A dog show affords you the opportunity to see unusual breeds up close. How often do you encounter a dog with floor-length dreadlocks or pups who are completely bald except for a sprout of perfectly coiffed hair around the face? Komondors and Chinese Cresteds are only two of the many unique dog breeds you'll see at a dog show.

If you're in the market for a purebred dog, a dog show can be a good opportunity to speak with breeders. They can advise you on whether that type of dog is appropriate for your lifestyle and may also be able to recommend groomers and veterinarians.

And if you have eyes-only for your own pets, you can still find entertainment at dog shows. Beyond the rings, a wide array of vendors sells a variety of items, including books, handmade clothes, collars, leashes and pet treats. Representatives from major pet food companies are also usually available to answer questions about feeding and nutrition.

[Click Here](#) to be taken to a Google Doc for a Sign-up Page to volunteer your time.
(Enter your information or edit later as needed)

This will be a major fund raiser for the club and activities it supports.

Bring your red or orange hat, vest, chair, pocket heaters and warm socks. Times will be from 6am to noon.

Last summer dog show was a great success and lots of fun. Let's do it again!

Mike Smith, KK4KHS
